The Token Hunter

National Utah Token Society

Issue: 1

President's Message

Happy New Year and Happy 40th anniversary of the National Utah Token Society (N.U.T.S.)! January 27, 2022 is going to be a special night because on January 27, 1982 the club was officially organized! (Yes, the exact day, forty years ago!)

First, I'd like to acknowledge and thank Casey Dittman, Bob Campbell, the Harrison/Sampson family and all the past and current club officers for all they have done, and continue to do, for the club. Where would we be without them?! I'm grateful to be your president this year and to be working with such great people. We are all passionate about our collecting and metal detecting hobby and it's great to get together each month to leave our worries outside the door and just have fun.

At this month's meeting we will be celebrating our 40th birthday with a party for the club, having some birthday cake and members from over the years will be speaking and sharing memories. In addition to the raffle, promptness prize, and youth drawings, we'll have our traditional treats and a variety of historical club memorabilia on display for everyone to see. So please join us (masks and hand sanitizer will be available) and if you know of any past members, please invite them as well.

2022 is going to be a year continuing the great traditions put in place over the years by the NUTS club officers from the past so we'll continue the club coin contest, raffle prizes, finds of the month, BBQ picnic and detector hunt, pie contest, coin shows, chili cook off, and the Christmas party, etc.

We are also working on some new fun events, raffle prizes, bringing back lost club traditions and other cool surprises that you won't want to miss. A few of the surprises include a commemorative 40th anniversary NUTS club token with a paid membership, a variety of great speakers including Stephen James from Stephen's Metal Detectors who may have some cool raffle giveaways - wink, wink, and a number of other collectible 40th Anniversary NUTS club items. So please pay your club dues as soon as possible and attend each meeting for some good times! In addition, we want your suggestions and input of ideas that will help make the club what you want it to be, so let us know. Mark your calendars for each event and together let's make 2022 about celebrating 40 years and coming together for more fun times!
